DESCRIPTION

Rare opportunity to own more than 3.27 acres in Plano's coveted Ranch Estates, where no HOA, horse-friendly acreage, and direct access to Bob Woodruff's equestrian trails create one of Plano's most distinctive country-in-the-city settings. Beautifully updated and extensively improved, this custom home offers more than 4,500 square feet of refined living space with soaring ceilings, rich hardwoods, fresh interior paint, updated lighting, and a bright, open layout designed for both everyday living and entertaining. The well-appointed kitchen features a 6-burner gas range, double ovens, built-in refrigerator, oversized island, and an exceptional walk-in butler's pantry. Walls of windows fill the main living areas with natural light and frame stunning views of the pool, mature trees, and surrounding pastureland. The first-floor primary suite is a true retreat with a spacious bath and thoughtful updates, while upstairs offers generous secondary bedrooms, updated baths, and flexible living space. Outside, more than 3,000 square feet of patio and covered outdoor living space surrounds the home and pool, creating an ideal setting for entertaining, relaxing, and taking in the wide-open backdrop, while recent landscape improvements further enhance the property's presentation. Equestrian buyers will especially appreciate the 4-stall horse loafing shed and direct access to the 1,000-acre Bob Woodruff Equestrian Park and Nature Preserve, all within Plano ISD and just minutes from the everyday convenience of city living.
