## DESCRIPTION

Welcome home to 502 Prairie Run, one of the most exceptional homes in Parks of Aledo! On one of the largest lots in the neighborhood, this stunning home backs up to trees on two sides for incredible privacy. Inside you'll find high-end living in a great floorpan. This 5-bed, 4-bed flexible floor plan home offers a 3-car garage and upgrades around every corner: designer lighting, custom wallpaper, a California Closet, and a layout that just lives beautifully. The backyard is a real show stopper. From the custom deck and designer landscaping to the perfectly positioned pool, it truly feels like a private resort. Single, third-car garage has its own AC unit perfect for an additional living space or workshop, but with a flip of a switch, it can operate as a traditional garage space. This is one you don't see come around often!
