DESCRIPTION

Welcome home to this well-maintained one-story home on a spacious interior lot. The large living area is the heart of the home, opening to the dining and kitchen and flowing through a split-bedroom floorplan. It features a gas fireplace and overlooks the back patio and pool. The kitchen offers granite countertops, stainless steel appliances, double ovens, gas cooktop, island, ample cabinet storage, and a walk-in pantry. Multiple dining areas provide versatility, along with a dedicated office or second living area featuring built-ins and natural light from the side yard. The primary suite includes direct backyard access and a large sitting area. The primary bath features double sinks, a separate shower, a spacious walk-in closet, and a large vanity with built-in storage and integrated hamper space. The backyard is designed for year-round enjoyment and offers a large covered patio, in-ground gunite pool with diving board and auto-fill capability, misting system, mature landscaping, and plenty of grass space. Additional features include solar screens, easy attic access with finished decking for storage, and an oversized side-entry garage. Located in an established neighborhood with a community park and convenient access to several major retail areas.
