DESCRIPTION

5 acres of privacy, views, and space—set up for the lifestyle most people are looking for right now. This custom Victorian-style home stands out with character, functionality, and room to truly enjoy your land. Inside, you'll find high ceilings, tons of natural light, and an open layout with a spacious living area and fireplace that makes the space feel warm and inviting. The kitchen is designed to impress with a large island, granite countertops, gas cooktop, and plenty of storage—perfect for hosting or everyday living. The primary suite is oversized with dual sinks, separate shower, and a large walk-in closet. Step outside to covered porches, a balcony, mature trees, and your own pond on the property—the kind of setting that's hard to find. The property also includes a shop with a built-in tornado shelter and horse stables with electricity and water already in place.
