DESCRIPTION

Nestled along a quiet, tree-lined street, this exceptional 4-bedroom, 3-bathroom residence has been thoughtfully reimagined by Maverick Design, blending elevated style with effortless livability. Inside, the expansive family room makes a striking first impression with vaulted ceilings, dramatic beam details, and a decorative gas fireplace that anchors the space with warmth and character. The beautifully designed kitchen features a large center island, generous walk-in pantry, and flows seamlessly into the dining area accented by custom built-in cabinetry. At the rear of the home, a secondary living space offers serene views of the spacious patio and sparkling in-ground pool, creating the perfect backdrop for refined entertaining or relaxed everyday living. The private primary retreat is a true sanctuary, complete with an oversized walk-in closet and a spa-inspired ensuite bath featuring dual vanities, a garden tub, and an expansive walk-in shower. Generously sized secondary bedrooms provide comfort and privacy, with two connected by a Jack-and-Jill bath, while the third enjoys its own ensuite bathroom. A rare offering of sophistication, comfort, and thoughtful design in a picturesque setting.
