DESCRIPTION

Located in the heart of Prosper with ****NO MUD or PID****, this upgraded single-story home delivers a rare combination of style, space, and long-term value. Featuring a striking stone elevation, mature landscaping, an 8-foot privacy fence, and a hard-to-find three-car garage, the exterior sets the tone from the start. Inside, an open layout connects the main living area to a chef-inspired kitchen with knotty alder cabinetry, a large center island, stainless steel appliances, and a gas cooktop, all anchored by a stone fireplace that creates a strong focal point. A private office offers a quiet workspace, while four spacious bedrooms provide comfort and functionality for everyday living. The primary suite is designed for comfort with bay windows, dual vanities, a soaking tub, walk-in shower, and a generously sized walk-in closet. Step outside to an expansive covered patio overlooking the backyard, creating a seamless indoor-outdoor living experience. Located within walking distance to Prosper High School and Reynolds Middle School, and just minutes from Gates of Prosper, H-E-B, and upcoming retail including Costco, Lowe's, and more, with quick access to the Dallas North Tollway and Preston Road.
