6 baths

DESCRIPTION

Featured on a one-acre homesite. This floor plan opens at the front porch into a 14-foot-ceiling entry embraced by a private home office and a nearby media room, creating a strong first impression of flexible living. The floor plan continues into the heart of the home where the kitchen with center island, walk-in pantry, and prep kitchen connects seamlessly to the dining area. The family room offers a fireplace and multiple sliding glass doors overlooking the extended backyard covered patio. The primary suite at the rear offers a spacious bedroom, dual walk in closets, linen storage, glass enclosed shower and a freestanding tub. Four secondary bedrooms are thoughtfully placed throughout the home, supported by four full bathrooms and one-half bath, making this home plan ideal for everyday comfort. This floor plan includes a three-car garage.
