DESCRIPTION

Professional photos coming ASAP. Live big in Paradise on 2.64 gorgeous, tree-studded acres in coveted Paradise ISD. This 4-bed, 2-bath, 2-car home is the country setup everyone asks for and almost nobody finds—fresh new flooring throughout the main house, a smart, livable layout, and room for all your people, pets, and projects. Out back is where it gets fun: a 30x40 insulated shop with full power that's made for serious hobbies, side-hustles, or storing all the toys. Need space for guests, in-laws, college kids, or extra income? The separate 1,000 sq ft guest house gives you flexible living options you just can't get in a subdivision. With very light deed restrictions, you're not boxed in—bring your ideas, your equipment, and your lifestyle. Tucked on a quiet country road with only about a dozen homes, you get that "end-of-the-road" peace and privacy while still being close to town and everyday conveniences. Properties like this don't sit long—this one's ready to sell and ready for its next chapter.
