DESCRIPTION

Spacious Home on 1.92 Acres with Separate Guest quarters or Office Building. Discover this charming two-story home offering a warm cabin feel on 1.92 acres of scenic land. The main home features 5 bedrooms, 3.5 bathrooms, and an inviting open-concept floor plan perfect for entertaining. The kitchen is a showstopper with a large island, granite countertops, stainless steel appliances, double oven range, and a convenient second sink. The primary suite plus two additional bedrooms are located on the first floor, along with beautifully remodeled bathrooms, a cozy family room with gas logs in the fireplace, and a sunroom that brings in abundant natural light. Upstairs includes two spacious bedrooms, a full bath, and a large game room. Enjoy extra space for hobbies or projects in the oversized garage with workshop area, plus an additional 28x14 detached workshop. A separate approx. 664 sq. ft. building offers endless possibilities for a home office, guest quarters, or multigenerational living. It includes two large rooms, a half bath, and a covered front porch. The outdoor spaces are just as impressive, multiple sitting and entertaining areas, a large gazebo, a firepit, a barn, and a wide open pasture area make this property a retreat for relaxation or gatherings. Experience country living with comfort, space, and versatility, all in one property!
