DESCRIPTION

Nestled beneath towering trees, this wonderful home is on a coveted cul-de-sac deep in the heart of Prairie Creek. Homes on this street rarely come on the market. With a sprawling floor plan on an extra large, wedge-shaped lot, this C-shaped 1970s contemporary has many great features. Recent updates include two Trane AC units, new ductwork, Pella windows, an insulated garage door, Elfa shelving in closets, six inch gutters, and more. All new PVC sewer pipes will be installed this month! The spacious kitchen offers ample storage and features quartz countertops, double ovens-one convection, self-closing cabinets, and a new backsplash. A large adjacent wet bar is great for parties. Hickory floors flow throughout the office, living area, and dining room, currently used as a music room. The primary suite is extra large with a spacious walk-in closet and overlooks the fabulous backyard. Enjoy spring days on the screened-in porch that runs the length of the living and kitchen area. There are three separate patio areas: a grilling patio with a koi pond off the generous breakfast area, one next to the office or library, and another stamped concrete patio in back. The spectacular backyard offers endless fun with a recently refurbished pool and a spa plus a new heater. On both sides of the pool are grassy areas perfect for pets and people - very rare in North Texas! An electronic gate across the back provides privacy and security. Oversized garage and laundry room with tons of storage. Situated just minutes from Prairie Creek Park, one of the prettiest parks in the metro area, this location can't be beat. Just 25 minutes from downtown with easy access to Hwy 75 and the George Bush Turnpike! With highly ranked Plano ISD schools and tons of restaurants and retail just minutes away, custom homes like this don't come along often.
