DESCRIPTION

Just in time for summer, this stunning Flower Mound home has everything you've been looking for. The interior has been beautifully updated with updated flooring, fresh paint, updated light fixtures, and Lo-E windows that flood every room with natural light. Entertain in style with a formal living area, an oversized dining room, and a gorgeous island kitchen featuring granite counters, freshly painted white cabinets, a gas cooktop, and double ovens. The main-floor primary suite offers a true escape with an updated en-suite bath showcasing updated cabinetry, countertops, and a frameless shower. Upstairs you'll find three additional bedrooms and a spacious game room. Step outside and the fun really begins. A sparkling pool with a waterfall, large covered patio, and a wide-open yard make this backyard perfect for kids and entertaining all summer long. Inside and out, storage is plentiful — with generous closets throughout and decked attic space for the extras. Major systems have been well taken care of: roof replaced in 2018, two HVAC condensers and coils in 2020, and a new furnace in late 2024. The pool was converted to a salt system with the filter grids, booster pump, Polaris, and salt cell all replaced within the last year.
