DESCRIPTION

Tucked away on a quiet cul-de-sac, this impressive one-story home sits on 1.5 acres and offers the kind of space and layout that's hard to find. Along with a 4 car attached garage, there is a 1548 sq ft climate controlled workshop. You'll love the flexibility this property offers—whether it's everyday living, entertaining, or finally having room for all the hobbies and projects you've been dreaming about. The heart of the home is a wide-open living area with hand-scraped wood floors, a stone fireplace with gas logs, and easy flow into the kitchen and dining spaces. The kitchen is designed for gathering, with a large island, double ovens, gas cooktop, tons of counterspace, walk-in pantry, and both a breakfast area and morning room—perfect for slow starts to the day or hosting a full house with ease. A split-bedroom design gives everyone their own space, with all four bedrooms featuring private baths and walk-in closets. The primary suite is tucked away for privacy and offers a true retreat with a sitting area, oversized shower with rainforest head, jetted tub, dual vanities, and a generous walk-in closet with out of season storage. Working from home is easy with a private study complete with built-ins and ample storage, while the media room and oversized game room provide plenty of room to unwind or entertain. Step outside and you'll find a large covered patio stretching across the back of the home—an ideal spot to enjoy peaceful mornings and wide-open views. And then there's the workshop... a standout feature you won't want to miss. The 36x43 separate shop offers 12-foot ceilings, heat & a-c, epoxy flooring and three overhead doors with electric openers—perfect for hobbies, storage, or running a business from home. With a 4-car garage, mudroom, and a floor plan that truly lives well, this home offers an incredible opportunity to enjoy space, privacy, and versatility—all in a single-story design.
