## DESCRIPTION

Come enjoy one of Texas First largest homes. They did not leave anything out of this home. The home has a very open concept. Game room has a pool table for entertainment after watching a movie in the Media Room with your bowl of popcorn. They even spent \$100,000 on the detached pergola and pool in the backyard for your outside entertainment. This is a very popular area because of all the amenities the subdivision has to offer. The park area is on Marine Creek lake where you can go fishing off the shore or take your canoe for a row around the lake. Community pool as well. You have 6 bedrooms so all the kids can have there own space to get all their projects done. Master has room for a sitting area so you can have your own space. You are close to the schools and the library is walking distance from the house as well as the elementary. Several ways to get to NW 820 quickly. If you have college kids TCC is just across the lake. Close to shopping and the many restaurants in the area. It is the place to be right in the middle of everything you need just minutes away. Must see.
