DESCRIPTION

Welcome to this well-maintained executive home in the heart of Coppell, where timeless design meets elevated everyday living. The chef's island kitchen offers generous counter space, stainless-steel appliances, and a charming breakfast nook that opens to a warm family room with hardwood floors and a see-through fireplace. The main level also includes elegant formal living and dining rooms with soaring ceilings, a dedicated office with French doors, a powder bath, and a spacious primary suite featuring a trayed ceiling, sitting area, jetted tub, and walk-in closet. Upstairs, three well-sized bedrooms, two full baths, a large game room, and a versatile flex room—ideal for a second office, craft space, or home gym—provide exceptional functionality. The backyard is an entertainer's oasis with a sparkling pool and spa, covered patio, and a grassed play area, all enclosed by a cedar privacy fence. Additional secured parking is available behind the electric gate. Conveniently located near Coppell High School and the sprawling 60-acre Andy Brown Park system, including miles of interconnected walking and biking trails, fishing ponds, playgrounds, ball fields, pavilions, etc.
