DESCRIPTION

Welcome to 2601 Fairfield Drive — a 4,750 sq ft custom 2-story home on a premier corner lot in Richardson, extensively updated and truly move-in ready. Recent improvements include new tile flooring at the entry, office, and kitchen; brand-new hardwood floors in the upstairs bedrooms and hallway; fresh designer paint throughout including cabinetry; and a fully remodeled primary bath with new tile, fixtures, and an added double vanity. Inside, soaring ceilings, hand-scraped hardwoods, plantation shutters, and decorative tile create timeless luxury. The open great room flows into a chef's kitchen featuring stainless appliances, an oversized island, and abundant cabinetry. The downstairs primary suite is a true retreat with its spa-inspired remodeled bath and new custom curtains. A dedicated study (or optional 5th bedroom) and a fully renovated second full bath complete the main level. Upstairs offers three generous bedrooms with new hardwoods, two full baths, a game room with wet bar, and a media room upgraded with tiered seating platforms, new carpet, projector, screen, and theater chairs — all conveying with the home. The backyard is a resort-style oasis: pool and spa with cascading waterfall, dramatic rock wall feature, covered patio with built-in grill, and professionally landscaped grounds. Pool equipment platform, valves, and piping have been recently updated. A 3-car garage with new built-in storage cabinets and expansive corner-lot parking complete the exterior. Move-in ready bonus: refrigerator, washer, dryer (~2 years old), media equipment, and 1-year-old security camera system convey with acceptable offer. Zoned to Plano ISD. Minutes from PGBT, US-75, shopping and restaurants.
