545 GOOSE LAKE DRIVE

ROCKWALL, TX 75087

\$4,500/mo

4,002 sqft

5 beds

6 baths

DESCRIPTION

Timeless elegance meets modern innovation in one of Rockwall's most desirable neighborhoods, Stone Creek. This 4,002-square-foot luxury residence was designed for those who appreciate craftsmanship and comfort. From the moment you arrive, the home's stately brick exterior, manicured landscaping, and inviting front porch make a lasting first impression. Step inside and experience a home that feels both grand and intimate. The open-concept floor plan is accentuated by soaring ceilings, rich luxury vinyl plank flooring, and designer lighting. The spacious family room, complete with a gas fireplace and built-in cabinetry, flows effortlessly into the heart of the home — the gourmet kitchen. Here, you'll find granite countertops, a large island, custom cabinetry, double ovens, a gas cooktop, and an oversized pantry that makes both entertaining and everyday living a pleasure. Natural light floods the space. The main level primary suite offers a true sanctuary, with a serene sitting area, an oversized shower, a garden soaking tub, and an expansive walk-in closet designed for organization and luxury. A second primary wing on the first floor provides flexibility for guests, in-laws, or multigenerational living. Upstairs, you'll find a game room along with three additional bedrooms. Every inch of this home has been thoughtfully curated to balance elegance with everyday convenience. The laundry room features built-in cabinetry, a sink, and granite counters, while the three-car garage offers generous storage and easy access. Outdoors, a covered patio with a fireplace overlooks the landscaped yard, creating the perfect backdrop for morning coffee or evening gatherings. Every element of this home reflects quality, comfort, and quiet luxury. It's more than a home; it's a lifestyle. Buyer and agent to verify all information including but not limited to measurements, schools, room sizes, zoning, property condition, and MLS data. Information deemed reliable but not guaranteed.
