DESCRIPTION

Welcome to a flawless and stunning home nestled in the heart of Glen Cove, with an abundance of green space in all directions, and the newly remodeled park at Gooch Elementary directly across the street! This beautiful home is a paragon of excellence in a community that prioritizes excellence, and no stone has been left unturned as the current owners remodeled this timeless residence from top to bottom, inside and out, with luxurious materials, textures, and finishes. The layout is incredibly thoughtful, with the awe-inspiring communal spaces full of light, elegant and open and airy, while the bedrooms lie tucked away, unbothered and unwavering in their ability to provide solace. The entire home wraps around the back patio, covered by a pergola topped by modern tinted acrylic, breathing life and dappled sunlight through French doors into the cozy primary bedroom and beautifully redone living room.
