DESCRIPTION

Featured on a half acre homesite. Step off the front porch into the grand entryway boasting a curved staircase and a 19-foot ceiling. The formal dining room is at the entrance of the home. Adjacent to the dining room is the home office which includes double doors for additional privacy. A secluded guest suite down the hallway with a full bathroom allows for guests to have their own space. The two-story family room boasts sliding glass doors and a warming wood mantel fireplace. Hardwood floors throughout main living area. The backyard covered patio is just off the morning area. The kitchen features an island with built-in seating, ample counter space, and an oversized walk-in pantry with plenty of storage. The primary bedroom offers ample natural light from its wall of windows. Double doors lead into the bathroom which features a freestanding tub, glass enclosed shower, dual vanities, two walk-in closets, and dual access to the utility room for convenience. Up the stairs you are greeted by an overlooking view of the first floor. The large game room provides space for entertainment along with the adjoining loft area. Two secondary bedrooms with full bathrooms and walk-in closets complete the second level. A three-car split garage completes the home.
