DESCRIPTION

Custom designed and built, this original owner home sits on a premium corner lot tucked into a quiet cul-de-sac—this one checks all the boxes. This spacious 1.5-story layout offers 4 bedrooms, 3 full baths, and a 2-car garage, all within the highly acclaimed Richardson ISD. A grand entry with a sweeping staircase sets the tone, and you are led into an open-concept kitchen, living, and dining area. Enjoy rich hardwood flooring that flows throughout the primary living spaces, adding warmth and timeless elegance. The first-floor primary suite features a beautifully updated bathroom with a unique see-through fireplace adjacent to the jetted tub, a large walk-in closet, and direct access to the backyard pool area. A second downstairs bedroom, with its own dedicated bath and private pool access, makes an ideal in-law suite or flexible space for multi-generational living. Also, functions well as nursery, teen space, exercise or hobby space. The kitchen was tastefully updated in 2019 with stainless steel appliances, new cabinets, and a gas cooktop that vents to the exterior. Step outside to enjoy the heated pool with plenty of seating and space to relax. All of this surrounded by an 8-foot privacy fence—your own secluded outdoor oasis. Major system updates include the electrical panel replaced in 2020, two HVAC units replaced in 2024, and a tankless, on-demand water heater installed in 2026. A rare combination of thoughtful updates, flexible living space, and an unbeatable location. Note - 3rd car garage bay was professionally converted to interior space several years ago, to create a second bedroom on the 1st floor, but could easily be converted back to garage or storage area. Also, there are TWO walk-in floored attics; great for storage! Enjoy quality custom construction and finish-out; just bring your favorite color palette as you view the home, and call your painter!
