## DESCRIPTION

Beautiful semi-custom home on an oversized lot backing to a walking trail and park—offering both privacy and scenic views. The upgraded elevation features a charming covered front porch and a spacious covered back patio, perfect for outdoor living. Inside, the home offers a thoughtfully designed layout with a private study, game room, and media room, along with formal living and dining areas. A stunning curved staircase creates an elegant focal point as you enter. The kitchen is equipped with stainless steel Electrolux appliances, an oversized island with upgraded countertops, ceiling-height cabinetry, and a sleek stainless steel vent hood—ideal for both everyday living and entertaining. Luxury vinyl flooring runs throughout all main living areas. Additional features include an EV charging outlet in the garage, a central vacuum system, tankless water heater, water purification system, and energy-efficient windows with a built-in security system. The home is fully equipped with a HomePro security setup, including two control panels, front and rear cameras, and a Ring doorbell. Pre-wiring for sound is installed in the office, primary bedroom, bathroom, game room, media room, and patio, making this home both smart and entertainment-ready.
