## DESCRIPTION

Perfectly positioned in the heart of Lakewood, this custom-built masterpiece delivers the rare combination of timeless architecture, designer finishes, and a truly flexible floorplan — all on one of East Dallas' most coveted streets. Step inside to soaring 12-foot ceilings and an open-concept living space anchored by a dramatic floor-to-ceiling Austin stone fireplace with exposed cedar shelving. The chef's kitchen is outfitted for the discerning buyer: premium Thermador appliances, a built-in 48-inch refrigerator, an oversized island, and subway tile carried seamlessly to the ceiling for a clean, magazine-worthy finish. The floorplan adapts to your lifestyle — configure as 5 bedrooms plus a dedicated office, 6 full bedrooms, or 4 bedrooms with dual home offices. The primary suite and a secondary bedroom or office are tucked privately downstairs, while upstairs, the oversized game room opens to views of the Downtown Dallas skyline. Entertain effortlessly on the covered patio with an outdoor fireplace, overlooking a spacious backyard built for gatherings in every season. Thoughtful everyday details round out the home: an oversized garage with space for a workbench or extra refrigerator, a mudroom with sink, and generous walk-in attic storage. Set within walking distance of White Rock Lake and Lakewood Shopping Center, and zoned to the highly sought-after Lakewood Elementary School, this is the Lakewood opportunity buyers have been waiting for.
