DESCRIPTION

Tired of same old cookie cutter floorplans, this isn't it! Venture into this unique multi-level home. First living room has huge stone fireplace for a morning cup of coffee by the fire. Second living room is massive. Kitchen has plenty of cabinets and granite counters. Primary bedroom has walk in closet and large ensuite bath with walk in shower. Bedrooms two and three with Jack in Jill bath. Back downstairs for bedroom four off the living room, then over to your private office. Now step outside to heavily treed yard on almost an acre. Not one but two circle drives. One in front and one that circles the house to provide ample parking. Sit out back on your deck under the shade trees. A huge 30' by 40' shop insulated with electricity and AC. Just seconds from I20 for easy access to work, HEB, Costco, restaurants, and anything else you could want. Only 10 minutes from lake Weatherford. Highly desired Aledo ISD. Don't let this opportunity get away!
