DESCRIPTION

Architectural brilliance meets high-energy urban living in this AIA award-winning masterpiece by renowned architect Ron Wommack. Perfectly positioned in the heart of the Uptown-Knox corridor, this residence offers an unrivaled lifestyle just steps from the Katy Trail, Cole Park, and West Village. The interior is a celebration of light and scale, anchored by a dramatic two-story great room featuring exposed steel I-beams, hardwood floors, and a fireplace. The gourmet kitchen is a bold design statement, featuring high-gloss cobalt and white cabinetry, a striking textured mosaic backsplash, and a premium stainless appliance suite with a built-in wine cooler. The second-level primary suite serves as a serene retreat with a spa-inspired bath with a skylight illuminating the space. Crowned by a versatile third-floor loft—ideal for a home office or den—the home transitions seamlessly to a massive private rooftop deck. This outdoor oasis is protected by a custom permanent arched canopy with an integrated ceiling fan, creating the ultimate venue for year-round entertaining. Experience the pinnacle of design-forward living in one of Dallas' most walkable and vibrant neighborhoods.
