DESCRIPTION

A solar powered gate opens up to your dream country property. The property is a little over 5 acres with two homes for your family. The main home(house#1) has a deck all the way around the outside, so you can choose where to sit to drink your morning coffee or watch the sunset in the evening. Two bedrooms both have ensuite bathrooms. Eat-in kitchen is perfect for a little bistro table in front of the picture window. Gas cooktop and oven are a hit with the gourmet cook in this kitchen. Custom glass paneled cabinet doors add a marvelous touch the well appointed cooking area. Don't forget the mother-in-law suite that sets directly beside the home(house #1). ADU's are trending now with generational families living together. The sky is the limit! ADU is plumbed and has electricity and is just waiting to be finished out to your style. In ground storm shelter is between the two houses. House #2 has two bedrooms and two full bathrooms. The living and kitchen areas blend together for a fantastic entertaining environment. A 30'x50'x12' shop with cement floor, electricity and two roll up doors, is the cherry on top of this property. Go ahead and bring your animals, there is room for all of them on the back acreage. So many fabulous things to tell about this country property. It is the package deal for country living. Go ahead and schedule your showing now. *Go to the virtual tour to see a floorplan of House #1 and a walking tour of both homes.
