From the moment you arrive, you feel it... this home has character, charm, and a presence that stands apart from anything else on the market. The main level is designed for both comfort and functionality, featuring the expansive primary suite with a truly oversized bathroom, complete with dual sinks and large closets. You'll also find multiple living and dining areas, along with a guest bedroom featuring a fully updated walk-in shower and double vanity. An additional full guest bathroom on the main level adds convenience for entertaining. Upstairs expands the home even further with a private study, spacious game room with a sink, and a dedicated exercise room. Step out onto the second-floor balcony, complete with a swing, and enjoy a quiet moment overlooking the property. The open-concept kitchen is equipped with updated appliances, a large island, and breakfast bar—all overlooking your private outdoor retreat. And this is where the property truly separates itself—resort-style pool and spa, full sports court, and nearly 2 acres of usable land backing to a peaceful creek. This isn't just a backyard, it's your own private escape. Additional features include a secure Pro Monitor alarm system, adding peace of mind to an already exceptional home.
