DESCRIPTION

Stunning 2023-built contemporary showstopper offering 4 bedrooms, 3.5 baths, and a 2-car garage with upscale finishes throughout. This thoughtfully designed home features foam insulation, rich wood flooring, custom cabinetry, LED lighting, and a full smart home system with integrated plugs and switches. The open-concept layout is anchored by a chef's kitchen complete with quartz countertops, a large island with breakfast bar, premium appliances including a 36" range, and a spacious walk-in pantry. Ideal for entertaining, the home boasts a formal dining area with a wine cellar and an expansive living room highlighted by a ventless fireplace. The private primary suite offers a spa-inspired bath with a separate shower, oversized jetted tub, dual vanities, and a generous walk-in closet. Additional features include a custom laundry room with built-ins, a versatile game room with balcony access, and a beautifully covered patio overlooking a cocktail pool, perfect for indoor-outdoor living.
