## DESCRIPTION

Expansive lake views fill this contemporary home on Jackson Lake. Built in 2018, this 5-bedroom, 5-bath residence features an open layout with polished concrete floors, high ceilings, and a full wall of windows showcasing the water. The modern kitchen includes a large island with bar seating, gas cooktop, double ovens, built-in microwave, and walk-in pantry. The main-level primary suite offers lake views, a fireplace, double vanity, freestanding tub, walk-in tile shower, and custom closet. A secondary bedroom with ensuite bath and patio access completes the first floor, while upstairs includes a spacious bunkroom plus two bedrooms with private baths. Outdoor living areas highlight a gunite pool, covered patio, and direct lake access with pier—perfect for fishing or relaxing by the water. Additional features include a three-car garage, large laundry room with sink and storage, and energy-efficient windows. Modern finishes inside and out create a clean, timeless aesthetic. New aerobic drip septic system, irrigation system, and sod was just installed in December, 2025 to January, 2026. Located near downtown Lindale, 2.5 mi to The Cannery District, and approx. 3.5 mi to I-20 access. Video tour available for detailed viewing of layout and finishes.
