DESCRIPTION

If you've been searching for space, privacy, and a home that actually feels like an escape, this is it. Set on 1.16 acres in the sought-after Vintage Oaks community of Weatherford, 341 Oak Meadow Lane delivers that rare balance of peaceful country living with everyday convenience just minutes away. Step inside and you're immediately met with natural light, soaring ceilings, and an open layout designed for both connection and comfort. The living room draws you in with a striking floor-to-ceiling stone fireplace, creating the kind of space that just feels like home. The kitchen is built for real life and entertaining alike, featuring a large island with seating, quartz countertops, stainless steel appliances, and a walk-in pantry that actually delivers on storage. The primary suite is tucked away for privacy, offering a true retreat with a spa-like bath, soaking tub, separate shower, dual vanities, and a spacious walk-in closet. Secondary bedrooms are generously sized, giving everyone their own space, while the dedicated office and upstairs bonus room add flexibility for work, play, or hosting. Out back is where this home really shines. Wide open skies, a fully fenced yard with custom pipe fencing, and a covered patio with an outdoor fireplace set the tone for slow evenings, weekend gatherings, and everything in between. With a 3-car garage, energy-efficient construction, and located in Azle ISD, this home checks all the boxes while still giving you something that's harder to find: a place that actually feels different the moment you pull up.
