DESCRIPTION

Nestled among mature trees with beautiful, established landscaping, this updated home offers both privacy and charm in a serene setting. Inside, you'll find wood-look tile flooring throughout and a spacious, open-concept design that seamlessly connects the living, dining, and kitchen areas. The custom kitchen is a standout feature, complete with a large island, abundant cabinetry, and two pantries for exceptional storage. A generously sized office provides the perfect space for working from home or a quiet retreat. Enjoy the luxury of Shutters and Roman Shades. The primary suite is expansive, featuring a comfortable sitting area and a relaxing atmosphere. Step outside to enjoy the custom screened-in porch overlooking a lush, fully fenced backyard—ideal for entertaining or unwinding in nature. Thoughtful updates include remodeled bathrooms in 2019, a new AC system installed in 2020, a new hot water heater, and a new roof with hail-resistant shingles. Additional improvements include a luxuryish 28 x 15 patio extension and enclosure, as well as wood-look tile flooring in the bedrooms and office for a cohesive, low-maintenance finish. The home also offers a large circular driveway, a golf cart garage, ample garage shelving, and a water softener system, making it as functional as it is inviting.
