2 baths

DESCRIPTION

Modern Living Meets Resort-Style Relaxation- Welcome to this beautifully designed three bedroom, two-bath home with a dedicated Study-Office where comfort, style and functionality come together seamlessly. Thoughtfully laid out for today's lifestyle, this home offers an ideal balance of open living spaces and private retreats. The spacious open-concept living area flows seamlessly into the kitchen and dining space creating the perfect environment for entertaining or everyday living. Large windows invite in abundant natural light. The private study provides the flexibility today's buyer craves. The primary suite offers a peaceful escape with a well appointed bath and generous closet space while two additional bedrooms provide comfort for family and guests. Step outside to your own backyard oasis featuring a stunning modern pool designed for relaxation and entertaining. Whether hosting summer gatherings or enjoying quiet evenings under the stars this outdoor space delivers true resort style living at home. This home has convenient access to dining, shopping, entertainment and major commuter routes.
