DESCRIPTION

NO HOA, NO CITY TAX, POSSIBLE SUBDIVISION INTO 3 LOTS, and the home is in the ETJ, giving you flexible use options (buyer to verify). This house has 5 large bedrooms, 5 full bathrooms, and sits on over one acre of land with NO HOA. Because it's outside city limits and inside the county boundary, you have huge freedom for how you use your property—bring your horses, park your equipment, or start a home business. A major bonus is the possibility to subdivide the land (buyer to verify with the county)! The home feels huge with an open layout, two living rooms, and a separate bar area. Look up to see high, vaulted ceilings with beautiful wood beams. The kitchen is brand new with 3 cm thick granite counters, new cabinets, and new stainless steel appliances. Every single room has new flooring and new energy-efficient windows. All 5 bathrooms are completely redone, and you get a modern tankless water heater. You can relax in the massive sunroom or on the huge patio overlooking your new lawn (new sod) and a peaceful pond view. The garage floor has a nice epoxy finish, and there is a separate detached man cave-workshop. This is a rare chance to get a luxury, move-in-ready home with all the space and freedom of country living!
