## DESCRIPTION

Some homes are built. Others are transformed into something the market rarely sees. This north-facing Star Trail residence has been elevated by over \$400,000 in custom upgrades — every detail considered, nothing left to chance. Four bedrooms, 4.5 baths, and more than 4,700 square feet crafted for the way a family actually wants to live. The heart of the home is a chef's kitchen that earns the title — anchored by a stunning waterfall-edge island, premium appliances, and a custom LED-lit bar just around the corner, complete with open display shelving and full cabinetry. It is the kind of space that makes entertaining feel effortless and staying home feel like a privilege. Glass sliders open to a backyard that stops you in your tracks. A resort-style pool and spa, fire pit, covered living and dining areas, and a fully equipped outdoor kitchen create a private sanctuary built for everything from quiet family evenings to unforgettable gatherings under the Texas sky. The primary suite is privately nestled on the main level, offering the seclusion a discerning buyer deserves, alongside a dedicated home office. Upstairs, the second floor becomes its own destination — a custom oversized media room with professional acoustics, high-end AV, and color-changing lighting, paired with a stylish game room featuring a built-in wall unit. Custom trim work, tailored built-ins, designer wallcoverings, and curated lighting carry throughout. Closets by Design in every suite. A finished four-car garage with epoxy floors and EV charging. Star Trail. Prosper ISD. Turnkey. This is not just a home — it's the one.
