DESCRIPTION

Experience the charm of true lakefront living on beautiful Lake Limestone. Situated on over a half-acre in a peaceful, private setting, this two-story waterfront retreat offers an exceptional opportunity as a full-time residence, weekend getaway, or income-producing short-term rental. Enjoy stunning water views, direct lake access, and endless recreation right from your backyard—bring your paddleboards, fishing gear, or simply relax and swim. Known for spectacular Fourth of July fireworks displays across the lake, this property offers a front-row seat to unforgettable memories. The home features solar power to help offset the majority of electric costs, adding efficiency to lakeside living. Rarely do you find waterfront property at this price point—an incredible opportunity under \$500K. The large building beside the house currently serves as a game room but would also make a great 3rd bedroom or living area. All buildings on property already have water and electric. Covered spot for RV and hookup. Need more room? An adjacent lot with beach access is also available for purchase. Privacy, recreation, and investment potential all wrapped into one remarkable lake property.
