## DESCRIPTION

Beautifully updated five-bedroom, single-story home nestled on a serene creek lot in the heart of North Dallas. Thoughtfully designed with an open, light-filled layout, this home offers both comfort and versatility for modern living. The expansive main living area features a dramatic floor-to-ceiling brick fireplace and a spacious wet bar—perfect for entertaining. The fully updated kitchen impresses with custom cabinetry, striking quartz countertops, a gas range with double oven, and dual dishwashers for added convenience. The dining room offers peak flexibility with the ability to expand to seat 12-14 guests or more, if the occasion calls for it. Retreat to the stunning, newly remodeled primary suite bath, complete with a large walk-in rain shower and spa-like finishes. A secondary living area with a wall of windows overlooking the creek provides the perfect space for a home office, media room, or flex living. The flexible five-bedroom floor plan includes a separate wing with private entrance—ideal for an in-law suite, nanny quarters, or guest retreat. Situated on an oversized corner lot, this home offers privacy, mature surroundings, and an abundance of natural light throughout.
