DESCRIPTION

You will love this one-of-a-kind, 2 story home from American Legend Homes! Complete with 5 bedrooms, 5.5 baths, study, 1st floor media room and game room, this plan is the perfect home for gathering and entertaining. Upon entering, you will immediately notice the extended foyer that offers sightlines into the back of the home. Situated on one side of the foyer sits the study, perfect for a home office or exercise room. The luxurious curved staircase opens into the media room which offers endless uses. On the opposite side, you will find a secluded secondary bedroom complete with walk-in closet and full-size bathroom. The gourmet kitchen, designed to be the heart of the home, is a chef's dream and features 2 large islands, ample counter space, walk-in pantry and opens into the dining area. Cathedral ceilings follow you to the family room showcasing a gorgeous fireplace and 15' sliders, letting in natural light. Secluded at the back of the home for maximum privacy, the main bedroom is the perfect retreat. It's amazing en-suite bathroom offers dual vanities, soaking tub and two spacious walk-in closets. On the second floor, you will find the versatile game room and two secondary bedrooms each with a walk-in closet and full-size bathroom. This home also showcases an exceptional amount of outdoor living space and a 3-car split garage.
