DESCRIPTION

This stunning Custom Drees home makes an unforgettable first impression with its gorgeous brick and stone elevation and highly sought-after three-car garage. Step inside to a dramatic entry featuring soaring vaulted ceilings, rich hardwood floors, and a sweeping staircase that sets the tone for the elegance throughout. Just off the entry, a private study offers the perfect work-from-home space, while the grand dining room, complete with bay windows and an updated chandelier, creates an ideal setting for hosting. The spacious living room is anchored by a floor-to-ceiling Austin stone fireplace. Gourmet kitchen is truly the heart of the home, featuring a large island, granite countertops, gas cooktop, double ovens, under-cabinet lighting, and a convenient butler's pantry. The open-concept layout flows effortlessly with built-in speakers with multi-room audio throughout! The thoughtfully designed floor plan includes a private guest suite downstairs, while the primary retreat offers a peaceful escape with a generously sized bedroom and a spa-like ensuite bath with dual sinks, a large walk-in closet, and a walk-in shower with dual shower heads. Upstairs, you'll find a huge game room, a fully equipped media room with surround sound, and built-in speakers, plus three additional bedrooms. Step outside to enjoy the covered patio with an outdoor fireplace overlooking a large backyard. Recent updates include New carpet (April 2026) and Garage storage racks. Beyond the home itself, the lifestyle in Stone Creek is truly special. Residents enjoy a welcoming community atmosphere with year-round events, walking and biking trails, community pool, parks, fishing spots and more! Ideally located with easy access to Dallas and Plano, this home also benefits from Rockwall's unique charm, from its vibrant downtown to the Harbor's shopping and dining. Top-rated schools, including Hamm Elementary within walking distance, add even more appeal.
