DESCRIPTION

Welcome to 9903 Lakemont Drive, a fully reimagined mid-century modern home in the heart of Midway Hollow, one of Dallas's most sought-after neighborhoods. Completely renovated and expanded in 2021 by Sardone Construction with over \$300,000 in improvements, this 3 bedroom, 2 bathroom home offers 1,753 sqft of thoughtfully designed living space on an expansive 8,540 sqft lot. Every major system was addressed including roof, dual HVAC, electrical panel, and plumbing. The open-concept kitchen is the heart of the home, featuring custom navy shaker cabinets with brass hardware, quartzite countertops, a farmhouse apron sink, zellige-style tile backsplash, LG stainless appliances with gas range, and a skylight that floods the space with natural light. The kitchen flows seamlessly into the dining and living areas, connected by exposed beams and dark hardwood floors throughout. The primary suite is a true retreat. Deep muted green walls, French doors opening directly to the backyard deck, and a barn door entry to a spa-caliber ensuite complete with a freestanding soaking tub, oversized walk-in glass shower with floor-to-ceiling tile, double vessel sinks on a white oak floating vanity, black matte fixtures, and designer patterned cement tile floors. The outdoor spaces are equally impressive. A large wood deck with a cedar pergola and privacy lattice wall creates a covered entertaining area, while a separate zen-inspired patio with rock garden, koi pond, and stepping stones offers a quiet retreat. The backyard features a mature garden with established native perennials. A four-car concrete driveway and covered carport complete the picture. Pre-inspected and pre-appraised. Minutes from Preston Hollow, Love Field, NorthPark, and the Dallas North Tollway. In a neighborhood where new construction commands \$1.5M to \$2.5M, this is a rare opportunity to own a fully renovated home on a premium lot at an exceptional value.
