## DESCRIPTION

One Acre. A Pool. And Room to Breathe — Right in Crowley. Space and convenience don't always come together, but this one-acre property delivers both. Close enough for an easy Fort Worth commute, yet far enough to exhale — this is the kind of place that feels like a true escape at the end of the day. And just 1 mile from shopping and restaurants, you have quick convenient access while maintaining the rural feel. The open-concept layout makes everyday living feel effortless. The kitchen flows naturally into the living room, anchored by granite countertops and a bar that keeps the cook in the conversation. Out back, a covered patio leads to your own private resort — a saltwater pool and attached spa set against a full acre of Texas sky. Whether it's a quiet Sunday afternoon or a backyard full of guests, this space was made for it. And the value doesn't stop there. Fully paid-off solar panels convey with the property, so you're stepping into long-term energy savings from day one. Land. Luxury. Location. This Crowley gem checks every box. Brand New Roof Installed April 2026! And NO HOA!
