## DESCRIPTION

Welcome to this beautifully designed 5-bedroom, 4.5-bath home on an acre lot in Celina, offering the perfect blend of space and luxury. The open-concept layout is filled with natural light, seamlessly connecting the kitchen and main living areas. The first level features a spacious primary suite with custom closet built-ins and direct access to the backyard oasis, plus a guest bedroom with a full en-suite perfect for visitors or multigenerational living. A private office with custom built-ins and plantation shutters offers a great work from home space. Upstairs, you'll find three additional bedrooms, including a split Jack-and-Jill layout, along with another bedroom featuring its own private en-suite, plus a spacious game room and dedicated media room for added entertainment. All bedrooms include walk-in closets, offering ample storage throughout. Step outside to your backyard oasis complete with a sparkling pool, outdoor fireplace, gas grill, and fire pit. The space is enhanced with a pool fence and professionally wired landscape lighting, all set on an expansive acre lot with plenty of room to relax or unwind. A 3-car garage completes this exceptional home, combining functionality and elegance in one of Celina's most desirable areas.
