DESCRIPTION

This stunning 2023-built home offers 5 bedrooms, 4 bathrooms and 3,766 sq ft of modern living space in the sought-after Oakmont Park community. Featuring soaring ceilings, a gourmet kitchen, and a spacious family room, this home is designed for both comfort and entertainment. Equipped with a high-performance 10.53 kW Enphase IQ8PLUS solar system professionally designed using NREL PV Watts data. The system produced 14,930 kWh in 2024 nearly matching its projected 14,997 kWh annual output — saving approximately \$2,100 per year in energy costs. Full Enphase production history available. Home also features a Purotics whole-home water treatment and purification system installed in 2023, protecting your plumbing and delivering clean filtered water throughout the home. All major systems — solar, water treatment — installed 2023 and conveying with the property. There are numerous upgrades throughout the homes for a luxury and relaxed living.
