DESCRIPTION

Welcome to 244 Comet Dr. A beautifully designed 4 bedroom, 3 bathroom home with a media room, game room, and flexible living spaces, where modern elegance meets everyday comfort. From the moment you arrive, the striking brick elevation and 3 car garage set the tone. Inside, you're greeted by soaring ceilings, abundant natural light, and a grand curved staircase that creates an unforgettable first impression. The open concept living space is both stylish and functional, featuring a spacious family room that flows seamlessly into a designer kitchen complete with a large waterfall island, custom cabinetry, and sleek finishes, perfect for entertaining or everyday living. The dining area connects beautifully to the space, while a flex room at the front of the home can serve as a private office or formal dining area. The thoughtful layout includes a secondary bedroom and full bath on the main level, ideal for guests or multigenerational living. Upstairs, you'll find generously sized bedrooms along with both a game room and a dedicated media room flex space, offering endless possibilities for entertainment, work, or relaxation. The primary suite is filled with natural light and offers a peaceful retreat with views of the backyard. Step outside to your covered patio with outdoor living space, perfect for relaxing or hosting, all backing to a greenbelt for added privacy and scenic views, a rare and highly desirable feature. This home blends modern design, versatility, and an exceptional layout in one of Fate's growing communities.
