DESCRIPTION

A fully renovated 2026 home in Prestonwood 1A one of Far North Dallas's most quietly desirable enclaves, centered around a private 9 acre park with a heated pool, tennis courts, and walking paths. Inside, the home has been completely updated with a brand-new kitchen, new bathrooms, new flooring, updated lighting, and fresh modern finishes throughout. The quartz island kitchen opens seamlessly to the great room and dining area, creating an easy flow for both everyday living and entertaining. The spa-inspired primary suite features a freestanding tub and a beautifully updated bath, while three additional bedrooms offer flexible space for family, guests, or a home office. A traditional enclosed garage adds everyday convenience, while oversized windows, wide-plank flooring, and a covered backyard pergola create a clean, elevated indoor-outdoor feel. The fenced lot provides both privacy and functional outdoor space within one of the area's most established neighborhoods. The home is zoned to Brentfield Elementary in Richardson ISD and is ideally located just minutes from the Galleria, Downtown Dallas, DFW Airport, Whole Foods, Trader Joe's, and Central Market. HOA dues of \$103 month include full park access, with no PID and no MUD. Schedule your private showing today to experience this fully renovated Prestonwood home in person.
