DESCRIPTION

Set on almost 5 breathtaking acres in sought-after Lucas, this truly one-of-a-kind property offers the perfect blend of privacy, natural beauty, and refined living. Backing to Corps of Engineers land with a gate providing direct access to the scenic Trinity Trail, the setting is nothing short of extraordinary. Designed to embrace its surroundings, the home is filled with natural light and showcases lush, park-like views from nearly every rear-facing room—including the primary suite and dedicated office. Skylights throughout further enhance the bright, airy ambiance. At the heart of the home, the fully remodeled kitchen impresses with quartz countertops, a KitchenAid double oven, and a sleek magnetic induction cooktop—perfectly suited for both everyday living and entertaining. The oversized step-down great room is a true showpiece, featuring soaring ceilings with dramatic exposed beams, expansive windows, built-in window seating, and a wet bar, all framing stunning views of the backyard oasis. The primary suite offers a serene retreat with a spa-inspired bath complete with a soaking tub, walk-in shower, and quartz finishes. Plantation shutters add timeless elegance throughout the home, while an oversized laundry room with abundant cabinetry adds everyday convenience. Step outside to a recently replaced deck overlooking the pool, ideal for relaxing or entertaining while taking in the peaceful surroundings. A covered walkway leads to the detached garage and a versatile dog kennel space that could easily function as a workshop. With ample space for horses and direct access to miles of trails, this rare property delivers a lifestyle that's increasingly hard to find—private, picturesque, and perfectly connected to nature.
