This 8,525-square-foot showpiece has been elevated with significant owner upgrades that set it apart from anything else on the market. Arrive to a wide circular drive leading to double iron front doors that open to a breathtaking two-story entry flanked by dual curved staircases. The grand family room beyond features soaring vaulted ceilings, a floor-to-ceiling stacked stone fireplace, and stunning curved balconies looking down from above. The chefs kitchen is equally commanding anchored by a stunning 9x9 foot granite island, dual dishwashers, 48-inch Jenn-Air professional range, glass-front lighted cabinetry, and 9x7 walk in pantry. A distinctive feature is its rare dual master suite layout, ideal for multi-generational living. The second full master upstairs mirrors that luxury with its own sitting area, bath, customized closet and laundry access. A dedicated office, large dining, formal living room and guest bedroom round out the first floor. A game room and media offer additional entertaining up. Two bedrooms connected by a loft with dual built-in desks is great for studying. A separate bedroom completes the upstairs that anticipates every need. Every bedroom has an ensuite bath and two laundry rooms, one per level, add everyday practicality to the luxury experience. Owner upgrades include a home theater, hardwood flooring throughout the upper level, a whole house water filtration system, EV charger, custom closet systems, security cameras and solar panels to dramatically reduces energy costs. A significant advantage in a home of this scale. With a four-car garage, Plano ISD schools, one acre lot, and a floor plan that lives as beautifully as it photographs, 5008 Kingston Court is one of the most compelling luxury offerings in Parker.
