DESCRIPTION

Experience elevated living in this stunning modern custom home, thoughtfully designed with premium finishes and exceptional craftsmanship throughout. Offering 4,266 sq ft, 5 bedrooms, 4.5 bathrooms, and a spacious game or movie room, this residence blends warmth, sophistication, and functionality. The striking exterior showcases smooth stucco paired with clear Western Red Cedar cladding and a matching custom cedar garage door, creating a timeless yet modern curb appeal. Inside, you're welcomed by level 5 smooth-finish walls, rich 9.5 Inch European white oak engineered flooring, and expansive Andersen fiberglass windows and Marvin sliding doors that flood the home with natural light. The chef's kitchen is a true centerpiece, featuring honed Taj Mahal quartzite countertops, a dramatic waterfall island with integrated sink, custom rift-cut white oak cabinetry, and a full suite of Monogram appliances including a built in refrigerator and dishwasher. Designed for luxury and comfort, the home includes limestone showers and countertops, a statement fluted limestone fireplace, and a spa inspired powder room with Pietra Grey marble and an integrated sink. A floating staircase with 4Inch white oak treads and sleek interior and exterior glass railings adds a bold architectural touch. Seamless indoor-outdoor living continues with tumbled travertine patios and balcony spaces, perfect for entertaining. The home is fully equipped with high end custom lighting and is prewired for security cameras, speakers, and fiber internet. A rare combination of modern design, high end materials, and thoughtful layout, this home is built for both everyday living and elevated entertaining
