DESCRIPTION

Offered for sale is this well-maintained two-story traditional home in Fairfax Hill, one of West Plano's most established and walkable neighborhoods feeding into Plano West. This home offers a functional and desirable all-bedrooms-upstairs floor plan with formal living and dining rooms at the front and an open family room and kitchen at the rear. Interior highlights include hardwood flooring throughout the main level and stairs, a gas-burning fireplace with flanking built-in cabinetry, updated kitchen including granite countertops and not pictured but new stainless appliances, and a grand two-story foyer for maximum curb appeal. The upstairs primary suite is generously sized and features a fully renovated ensuite bathroom with a freestanding soaking tub, frameless glass shower, designer tile, and dual vanities. Both secondary full baths are also updated with walk-in showers, frameless glass enclosures, designer tile, and granite countertops. The backyard is fenced with BoB 6ft privacy fencing, anchored by a mature live oak tree, and accessible from a screened rear patio that's perfect for outdoor entertaining while keeping pesky bugs at bay. Ample parking is available with an alley facing two-car garage with a deep driveway. But that's just the house, what you're really buying into is the PRIME LOCATION! Everything is just five minutes away including DNT, 121, Legacy West, HEB, and metric ton of eateries along Coit and Preston. The home feeds into Plano ISD: Gullledge, Robinson, Jasper, and Plano West — with Robinson, Jasper, Archgate Park and Carpenter Park being walking distance from the house! Owner-occupied for many years, this home reflects consistent, pride-of-ownership maintenance that is hard to find nowadays. If you have been waiting for a move-in ready home in a neighborhood that already feels like community, this one is worth a serious look!
