DESCRIPTION

Location meets perfection in this meticulously maintained Richardson gem! This beautifully updated, low-maintenance home is perfectly positioned with the community pool right outside your front door and everything else just minutes away. The stunning interior is fully move-in ready, featuring a completely remodeled kitchen, two beautifully renovated bathrooms, updated fixtures, and premium flooring throughout. The bright, open layout features a breakfast bar perfect for casual mornings and a view straight out to the beautiful backyard. And when you're ready to get outside, take a short walk to the 417-acre Breckinridge Park, where miles of scenic trails, lakes, and playgrounds await. What truly sets this property apart goes beyond cosmetics — this is a home where the important work has also been done. Nearly every major system has been updated, replaced, or proactively serviced, so the next owner inherits years of cost savings with little to no deferred maintenance. Recent upgrades include a new HVAC with air scrubber, appliances, bathroom remodels, and garage door. The seller wants the home to be truly move-in ready and completed pre-market checkups on the water heater, sprinkler system, foundation drip system, and roof. Zoned for top-rated Plano ISD schools and just minutes from Firewheel Town Center shopping and dining, this turn-key home has no equal — come see it for yourself.
