## DESCRIPTION

Well maintained home in North Richland Hills located in a cul de sac with a functional layout and convenient location. Features include an open living area, plus a kitchen with ample cabinet space, center island, and adjoining dining area. A second living area provides flexible space and offers direct access to the covered back patio, supporting indoor outdoor living. A dedicated office offers a private space for work or study. The primary suite includes a private bath with dual sinks, separate shower, and walk in closet. Secondary bedrooms are well sized with easy access to a full bath. An additional full bathroom includes direct access to the backyard, ideal for use with the pool and helping keep wet traffic out of the main living areas. The backyard features a separately fenced, in ground gunite pool and spa combo designed for both relaxation and entertaining, with ample covered patio space for seating and outdoor gatherings, plus a storage shed for added convenience. Located near major highways, shopping, dining, and schools.
