DESCRIPTION

Set on a beautifully maintained lot in Riverhills Phase 3, 3856 Bent Elm Lane offers a clean, modern aesthetic paired with a highly functional layout in one of Fort Worth's most desirable areas. Ideally positioned just a short drive to Fort Worth Country Day and Waterside, the home brings together thoughtful design, generous scale, and a strong sense of livability. Spanning 4,377 square feet, the home features 6 bedrooms and 4.1 baths, with flexible spaces that adapt easily to a variety of needs. Light-filled living areas anchor the main level, highlighted by a sleek fireplace, built-ins, and expansive sliding doors that open directly to the backyard—creating a seamless extension of the living space. The kitchen is both striking and streamlined, centered around a substantial island with seating and complemented by custom cabinetry, a clean-lined range surround, and a dedicated dining area overlooking the pool. The open flow makes it equally suited for hosting or day-to-day use. A dedicated fitness room is thoughtfully positioned on the first floor just off the garage, offering a convenient and private space for workouts or additional flex use. Upstairs and secondary living areas provide additional versatility, while the overall layout maintains a comfortable balance between open gathering spaces and more private retreats. Outdoors, the backyard is designed for both relaxation and entertaining, with a covered patio, multiple seating areas, and a pool framed by clean landscaping and privacy.
