

CENTURY 21[®]

Judge Fite Company

17215 GRAYSTONE DRIVE
DALLAS, TX 75248

\$990,000

3,938 sqft

4 beds

4 baths

DESCRIPTION

Nestled in the established Highlands of McKamy neighborhood in North Dallas, this well-maintained home with brand new roof offers a rare blend of move-in ready comfort and the opportunity to personalize over time. Located within Richardson ISD and zoned to highly sought-after Brentfield Elementary, the home combines everyday livability with exceptional educational access. The spacious, flexible layout features multiple living and dining areas, creating an inviting setting for both everyday living and entertaining. Natural light fills the home, while a warm, functional flow makes it easy to settle in from day one. Currently configured as a 4-bedroom home, the property was originally designed as a 5-bedroom and can be easily converted back—providing valuable flexibility for growing families, a home office, or guest space. What truly sets this home apart is the level of care it has received. It has been meticulously maintained, with significant updates already completed, including foundation improvements with engineering oversight and steel piers, updated HVAC systems, water heaters, and fencing. A newly installed Kohler generator adds an extra layer of comfort and reliability as well as Security Cameras to protect you and or your family. While perfectly livable today, the home also offers the option to make cosmetic updates over time, allowing you to tailor the style to your own vision without the need for immediate renovations. A private backyard and mature landscaped setting completes the home, all in a convenient North Dallas location close to major thoroughfares, shopping, and dining—making this a rare opportunity to own a thoughtfully maintained home you can truly make your own.
